

Stand CC Last Man Standing

As both a bit of fun, and to raise some funds for the cricket section, we are launching a Last Man Standing competition. The entry fee for the competition is £10 per person, with £5 going to the club and the other £5 going into the prize pot.

This is not just for members, so please forward to any family, friends or work colleagues who may be interested. The rules and details of how to join can be found below.

- Pick a team to win from the Premier League for the chosen game week. If your team wins you go through to the next round, however if they draw or lose you go out.
- You can only pick each team once for the duration of the competition. E.G. If you pick Liverpool in week 1 you can't pick them again for the duration of the competition
- The competition continues until there is 1 person left remaining who wins the prize pot.
- If there is no winner, the pot carries over so the prize money increases.
- If the team that you choose gets postponed for any reason, you get the highest placed team in the league that you haven't previously chosen. E.G. If you chose Leeds to win and it was called off you would automatically get the team placed in 1st at the start of the game week. If you have already chosen them previously then you go down the league table until you reach a team that you haven't previously had.
- The game weeks and deadline dates for picks can be found on the next page with the spreadsheet of all players and picks to be posted on the club twitter and Facebook pages.
