

Photography & Video Policy

This policy relates to the use of cameras during matches, training sessions and on other club occasions.

Photographs are not to be taken at matches or training without the prior permission of the parents/carers of the child. This permission can be given by proxy by the coach of each team only after parental consent for this has been granted. The coach must arrange this prior to attending matches.

If no consent has been given for a child on the player profile form, then this should be made known to the relevant person of the other team (e.g. coach/team manager) to avoid taking photographs of that particular child.

The children should be informed if a person will be taking photographs.

The children should be informed that if they have concerns they can report these to the coach or team manager.

Concerns regarding inappropriate, or intrusive, photography should be reported to the Club Safeguarding Officer and recorded in the same manner as any other child protection concern.
